# LOG CABINS ON THE OHIO RIVER

**T**he view from each cabin is to the east overlooking the Ohio River, greeting each visitor with a spectacular sunrise and moonrise. The scene on the Kentucky side is of beautiful rolling farmland, with cleared pasture fields gently coming to rest at the river's edge. Behind our Cabins rise magnificent limestone and sandstone cliffs carved out eons ago by this mighty river.

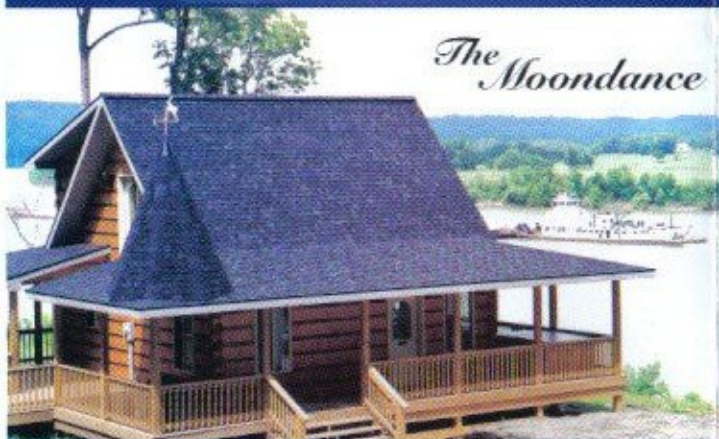

The "Heron's Nest", "Bonnie Pearl", "Moon-dance", "Yin-Yang", and "Le Chalet" Log Cabins all command stunning views from right on the water's edge. "The Lodge at Buzzard's Roost" is perched hundreds of feet above the river, with an awesome eagle's eye view of our tremendous horseshoe bend. These beautiful log homes will

sleep from 2 to 22 comfortably, with 2 to 4 bathrooms each, wrap-around porches, rocking chairs, porch swings, gas grills, fire pits ... WOW! Hot tubs are on the deck of every cabin, and the romantic "Bonnie Pearl" has a heart-shaped jacuzzi for two in the master bedroom! AAH ... total relaxation!

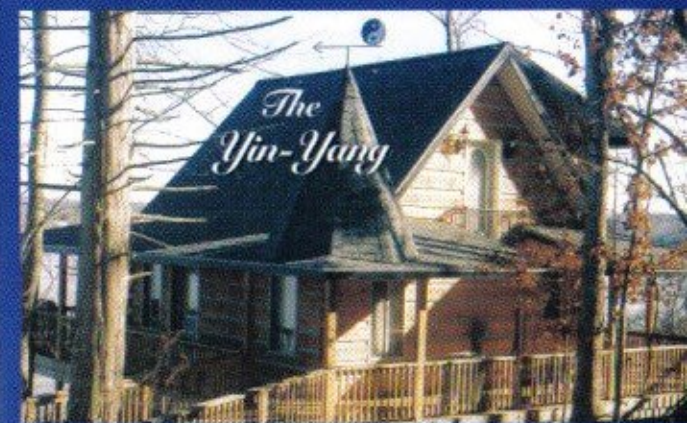

All of our Log "Cabins" have fully-equipped laundry rooms and modern full-sized kitchens. Everything you need for a quick weekend get-away, or a seven course Thanksgiving dinner with the entire family. With central heat and air conditioning, all you need is this Perfect Vacation Spot.
